

# Parent Activities

Read *Leonard's Best Summer Ever*. Here are some activities to do at home. Leonard and his friends have been busy working on the clubhouse. They have fun playing at the beach, camping, and watching fireworks through the summer!

1. Visit the library and get a library card.
2. Make a piggy bank out of something at your house (i.e. coffee can, butter container). Learn the names of the coins you save to buy a special treat.
3. Watch fireworks and say the colors you see.
4. Draw letters and numbers with sidewalk chalk.
5. Dress up like a pirate and make a treasure map to find a hidden surprise.
6. Make handprints or footprints in the sand or mud.
7. Go on a picnic and eat watermelon.
8. Explore a state park to hike or go fishing.
9. Camp out in the backyard and make ice cream.
10. On a hot summer day, play in the sprinklers.
